

RCMP

- Enforcement by OPS continuing 97 criminal investigations opened
- There are around 348 RCMP in members on NCR within mandate. 266 resources have also been identified to support OPS mandate. Looking to add 200 additional resources.
- We need to see enforcement plan
- RCMP/OPP have created integrated planning cell for enforcement. It will tell us where those additional resources should go.
- NO additional plans to provide resources until it is clear how they will be used
- In Alberta, an Article 9 request has been sent in and will be drawing in additional resources
- 500 trucks are still on the downtown core
- Ongoing protest in MB legislature
- Still a number of commercial vehicles lining northbound traffic.
- Traffic is now flowing again in one lane
- 170 vehicles at checkpoint.
- Ongoing protests at ambassador bridge,

Rob

- Modest change overnight. Some officers were given breaks after 4 days without a day off
- Police are dealing with issues of women and children being in group to prepare for harder tactics.
- Number of threats on support systems, such as phone bombing 911, saying there was a hostage situation
- Enforcement plans are delayed until they have a final picture of the numbers
- Trying to communicate better resources with provincial resources on licensing and flow of funds
